Sri. R. L. JALAPPA Founder Chairman

R. L. Jalappa was a visionary educationist, politician, and social worker who founded the Sri Devaraj Urs Educational Trust (SDUET) in 1986 to support the people of Kolar, particularly those from backward classes. The SDUET offers education from kindergarten to post-doctoral levels. An outspoken politician, Jalappa was a member of the Indian National Congress. He also led the cooperative movement, promoting agricultural, horticultural, and dairy farming. In 2001, he founded the R. L. Jalappa Institute of Technology (RLJIT) in Doddaballapur, affiliated with Visvesvaraya Technological University, Belagavi. His contributions to education and social welfare remain significant.

From the Management's Desk

Sri G H Nagaraj
Chairman

"Publishing of a quarterly e-news letter to have the information from all the Departments and the institution is a unique initiative. I appreciate the efforts of the concerned HoDs, staff and the Principal, R L Jalappa Institute of Technology in bringing out the e-news letter."

- Sri G H Nagaraj, Chairman

"It is indeed a great pleasure that R. L. Jalappa Institute of Technology, Doddaballapur, is bringing out a quarterly e-news letter highlighting the academic, research and other activities of the Departments. I would like to congratulate the Principal , all HODs and concerned staff who are involved in this good initiative."

- Sri J Rajendra , Vice Chairman

Sri J Rajendra
Vice Chairman

From the Management's Desk

Sri Hanumantha Raju
Secretary

"I am very happy to know that R. L. Jalappa Institute of Technology is publishing quarterly e-news letter covering the news of Academic, Research and other activities of the Departments. I take this opportunity to congratulate the Principal, all HoDs and concerned staff who are involved in this good initiative. I appreciate the e-News Letter Team for their wonderful initiative."

-Sri Hanumantha Raju , Secretary

Dear Readers,

I am delighted to share this quarter's magazine, highlighting our team's achievements and milestones. It reflects our dedication, creativity, and vision for the future. Thank you to everyone who contributed. Let's continue to innovate and aim higher together.

-Sri J Nagendra Swamy, CEO

Sri J Nagendra Swamy
CEO

From the Principal's Desk

Dear Students, Faculty, and Readers,

It is my privilege to share my thoughts through this edition of our college magazine, a reflection of the creativity, talent, and achievements of the RLJIT family.

At RLJIT, we strive for excellence, fostering innovation and holistic growth to shape individuals ready to contribute meaningfully to society. This magazine stands as a testament to our collective journey and vibrant community spirit.

I extend my heartfelt congratulations to the editorial team for their efforts and wish everyone success in all their endeavors.

Dr. P Vijayakarthish
Principal

- Dr. P. Vijayakarthish, Principal

I am very proud to share that we have conducted lot of successful events and initiatives over the past few months. I am proud of the work that our community has accomplished by bringing the news letter and the positive impact we have had. Keep up the good work.

Our Institution is having the excellence track of the results and success streak of the placements in reputed MNCs. It is a place of advancing knowledge and transforming lives with affordable fee structure with quality education with good infrastructure for better living, pollution free environment with lavish green campus.

- Dr. Shiva Prasad K M, Vice Principal

Dr. Shiva Prasad K M
Vice Principal

From the Director's Desk

As a Director for HRM, I am excited to announce the launch of our e-newsletter, which will provide students with valuable information and resources related to career development and job search strategies.

I encourage you to stay engaged with your college's career services office and to take an active role in your own career development. With hard work and dedication, you can position yourself for success in your chosen field.

- Prof. N S Babu Reddy Director, HRM

Prof. N S Babu Reddy
Director, HRM

Dr. Sreenivasa Reddy
Director, Quality in Academics
and R&D

It is indeed my great pleasure and privilege to share that our Institution is bringing out "e-Sadhana" a periodical news bulletin which showcases the achievements of the faculty members and encapsulated excellence / talent of the young minds. It is quite enthralling to make a note that, a numerous value based activities have been found very significant throughout in attaining pinnacle of perfection and professionalism in all the aspects.

Hearty congratulations to the editor in chief and editorial team for their determined efforts in bringing out this in a short stint of time.

-Dr. Sreenivasa Reddy, Director (Quality in Academics and R&D

NATIONAL MEDICAL SCIENCE CONCLAVE

Dr. P. Vijayakarthish, Principal of RLJIT, served as the Session Chair at the National Medical Science Conclave held at RL Jalappa Medical College, Kolar.

In recognition of his contribution, he was honored by the Vice Chancellor, Dr. Vengamma. This occasion highlights the academic excellence and leadership of RLJIT in contributing to interdisciplinary platforms and national-level events.

NATIONAL-LEVEL TECHNICAL EVENT

Students of RLJIT participated in a national-level technical event organized by Kumaraswamy College of Engineering, Karur, held on February 20th and 21st, 2026. The team delivered an impressive performance and secured the consolation prize, along with a cash award of ₹3,000.

The event provided a valuable platform for students to showcase their innovative ideas and technical presentations while competing with participants from various reputed institutions. It was a rewarding experience that encouraged knowledge sharing, creativity, and healthy competition.

SESSION ON CANCER AWARENESS

Dr. Arunkumar, a renowned cancer specialist, visited RLJIT to conduct an informative session on cancer awareness. The session aimed to educate students and faculty about the importance of early detection, preventive measures, and the latest advancements in cancer treatment.

During the session, Dr. Arunkumar highlighted common risk factors, symptoms to watch for, and the significance of maintaining a healthy lifestyle. He also addressed various myths and misconceptions surrounding cancer, helping to create a better understanding of the disease.

DEPARTMENT OF CSE

Java Certification Program

A total of 60 students from the Department of Computer Science and Engineering (CSE) have successfully completed the Java Certification program. The certification process comprised six rounds of real-time problem-solving assessments, designed to evaluate the students' practical knowledge and coding proficiency.

The program was efficiently coordinated by Dr. Basavaraj and Sukhtheerth, under the guidance of Convener and Head of the Department, Dr. Sunil Kumar R. M. Their continuous support and leadership played a vital role in the smooth execution of the certification process.

This achievement reflects the students' dedication, technical skills, and commitment to excellence in programming. The department congratulates all the participants for their hard work and encourages them to continue enhancing their expertise in advanced technologies.

DEPARTMENT OF CSE FACULTY ACHIEVEMENTS

Two research papers were successfully presented by **Dr. Sunil Kumar R M**, Associate Professor & HoD, Department of Computer Science and Engineering, at the International Conference on Next-Gen Quantum and Advanced Computing: Algorithms, Security, and Beyond (NQComp 2026), held from 5th to 6th March 2026 at Manipal Institute of Technology Bengaluru.

The first paper titled *"Distributed Ledger Technology in Healthcare: Advancing Governance Architectures and Performance Engineering in Decentralized Ecosystems"* was accepted for presentation, subject to minor revisions.

The second paper titled *"Fake News Detection Using LLM and RAG"* was also presented at the conference, highlighting advancements in leveraging large language models and retrieval-augmented generation for misinformation detection.

These presentations reflect the quality and relevance of the research contributions showcased at the conference.

DEPARTMENT OF CSE

FACULTY ACHIEVEMENTS

Mr. G. M. Ananda Reddy, Assistant Professor in the Department of Computer Science and Engineering (CSE), has successfully completed a Five-Day Faculty Development Program (FDP) on “Designing Cloud-Native Analytics Pipelines with Snowflake”, organized by the Departments of Computer Science and Engineering (CSE) and Information Science and Engineering (ISE), held from 27th January to 31st January 2026.

Dr. Shankar N B, Associate Professor in the Department of Computer Science and Engineering (CSE) was granted a patent (Design No. 480794-001, dated 19/11/2025) for the invention titled “Health Records Managing Wearable Device.”

Mr. Iliyaz Pasha M, Assistant Professor in the Department of Computer Science and Engineering (CSE), has successfully completed a Five-Day Faculty Development Program (FDP) on “Designing Cloud-Native Analytics Pipelines with Snowflake”, organized by the Departments of Computer Science and Engineering (CSE) and Information Science and Engineering (ISE), held from 27th January.

He also participated in a One-Day Faculty Development Program on “Advances in Artificial Intelligence”, conducted and organized by the Department of Computer Science & Engineering (Artificial Intelligence & Machine Learning) on 13th December 2025 (Saturday) at R. L. Jalappa Institute of Technology, Doddaballapura.

DEPARTMENT OF CSE FACULTY ACHIEVEMENTS

M. S. Rekha, Assistant Professor in the Department of CSE Worked as a Faculty Coordinator in facilitating student participation in the Hackathon Fest held at Kumarswamy College of Engineering, Karur, on February 20th and 21st, 2026. The team secured a consolation prize of ₹3,000 for the institution.

M. S. Rekha, Assistant Professor in the Department of CSE Invited as a judge for the evaluation of a Python coding competition organized by the Department of CSE (Artificial Intelligence & Machine Learning) under the NEXUS Coding Club on 27/03/2026. Received a letter of appreciation from the Principal and the Head of the Department (AI & ML).

DEPARTMENT OF CSE(AI & ML)

PYTHON CODING COMPETITION

The Department of Computer Science & Engineering (Artificial Intelligence & Machine Learning), under the banner of AI Nexus-Coding Club, organized a Python Coding Competition on Friday, 27/0/2026. The event aimed to enhance students' programming skills, logical reasoning, and problem-solving abilities.

Participants solved problems of varying difficulty levels, showcasing their coding proficiency and analytical thinking. The competition promoted a spirit of healthy competition and collaborative learning. The event concluded successfully with top performers being recognized and appreciated.

FACULTY ACHIVEMENTS

Dr. Manjunatha B. N., Associate Professor and Head of the Department of CSE (Artificial Intelligence and Machine Learning), has published an IEEE paper titled “A Review of Vision Transformer-Based Approaches for Pneumonia Detection: Components, Variants, Benefits, and Challenges.” He has also been granted a design patent for the invention titled “Health Records Managing Wearable Device,” registered under Design No. 480794-001 on 19 November 2025. The design falls under Class 14-02 and has been registered in accordance with the provisions of the Designs Act, 2000 and the Designs Rules, 2001.

Dr. Manjunatha N , Associate Professor in the Department of CSE (Artificial Intelligence and Machine Learning), was granted a patent (Design No. 480794-001, dated 19/11/2025) for the invention titled “Health Records Managing Wearable Device.

Dr. Manjunatha B. N., Ms. Nidhi Singh M., and Ms. Varshini B. R. in the Department of CSE (Artificial Intelligence and Machine Learning) have received project funding from KSCST (Karnataka State Council for Science and Technology), recognizing their innovative research contribution and commitment to excellence in science and technology.

FACULTY ACHIEVEMENTS

Ms. Priyanka T. V., Assistant Professor in the Department of CSE (AI & ML), has participated in the following Faculty Development Programs (FDPs) and workshops:

1. Participated in a Five-Day FDP on “Data-Driven Decision Making, Business Analytics and Visualization”, conducted by the Global Society for Technical Education (GSTE) from 23/02/2026 to 27/02/2026.
2. Participated in the “AI & Innovation Sprints: Rapid Prototyping for Digital Transformation” event organized by Rajshree Institute of Management & Technology, Bareilly, in association with The Institution of Engineers (India), Bareilly Local Centre and Institution’s Innovation Council (IIC), Ministry of Education, New Delhi, on 16 January 2026.
3. Attended the Executive FDP on “Industry 4.0 & Smart Manufacturing” held on 19th, 20th, and 21st February 2026 in Bengaluru at the Bajaj Engineering Skills Training (BEST) Centre, PES University.
4. Participated in a one-day GSTE workshop titled “Modern Manufacturing Process Mastery: Skills Every Engineer Must Know” by Shirish Dongre, Executive Editor & Publisher, Jagcart Media, on 27/01/2026 from 7:00 PM to 9:00 PM.
5. Participated in a one-day GSTE workshop titled “Tools & Techniques to Unleash Your Maximum Potential to Prepare for Your Future”, led by Mr. Venkatesh, Founder & CEO of Apna Vikas, Bengaluru, on 09/01/2025 from 7:00 PM to 9:00 PM.

FACULTY ACHIVEMENTS

Ms. Nidhi Singh M, Assistant Professor in the Department of CSE (Artificial Intelligence and Machine Learning) received the Best Innovative Teaching Methodology Award for the academic year 2025–2026 in recognition of her creative, student-centric teaching approaches and commitment to academic excellence.

STUDENT ACHIVEMENTS

The department of CSE (AI & ML) proudly congratulates the following IV Semester students for their outstanding achievement in the VTU Intercollegiate Girls Ball Badminton Tournament, where they won the competition and brought great pride to the department and institution.

Winners – IV Semester:

1. Gurram Sowmya – 1RL24CI018
2. Monisha – 1RL24CI031
3. Kavana – 1RL24CI025
4. Ranjitha V – 1RL24CI038

The department of CSE(AI & ML) also proudly congratulates Chakradhar-1RL23CI043 from VI Semester for being selected to represent at the National Level Boys Ball Badminton Competition. This achievement is a matter of great pride for our department and institution. We are also happy to appreciate the participation of the following 2 students who represented the department in the VTU Intercollegiate Boys Ball Badminton Tournament:

1. Akash – 1RL23CI002.
2. Chakradhar N – 1RL23CI043.

DEPARTMENT OF CSE(DATA SCIENCE)

The Department of Computer Science and Engineering (Data Science) at R. L. Jalappa Institute of Technology successfully conducted the “DS Spark” session on 14/03/2026 at the ECE Seminar Hall. The program effectively introduced the fundamentals of data science, emerging IT technologies, and various career opportunities in the field. The session, led by Smitha H.C., covered important topics such as MongoDB applications, current industry trends, career pathways, relevant certifications, and strategies for securing jobs, including portfolio building and LinkedIn optimization. The program was well-received by participants and achieved its objective of inspiring and guiding students

DEPARTMENT OF CSE(DATA SCIENCE) FACULTY ACHIEVEMENTS

Dr. Mrutyunjaya M. S., Associate Professor and Head of the Department of Computer Science and Engineering (Data Science), successfully participated in the Academic Leadership Program conducted by **BITES**. He also actively contributed to the **Unisys** Innovation Program, fostering a culture of innovation and continuous learning.

In recognition of his academic expertise, Dr. Mrutyunjaya has been acknowledged as a reviewer for Scientific Reports (Springer Nature), contributing to global research excellence.

Dr. Kavitha C, Professor of CSE (Data Science), Participated in a Faculty Development Programme on Industry 4.0 and Smart Manufacturing, held at the Bajaj Engineering Training Center from 19th to 20th February 2026

Mrs. Ramya, Assistant Professor at RLJIT, successfully participated in the Faculty Development Programme on the AICTE Activity Points Tracking System (VTU App), held at BGS College of Engineering and Technology, Bengaluru, on 17th March 2026. The programme was organized by Visvesvaraya Technological University (VTU), Belagavi, in collaboration with Youth for Seva and Lifecykul Sports Pvt. Ltd.

Her participation provided valuable insights into academic activity tracking and faculty development systems.

DEPARTMENT OF CSE(DATA SCIENCE) STUDENT ACHIVEMENTS

Mohammed Kaif and Dileep, students of the 6th Semester Data Science program, participated in an intercollegiate event held at Kumarasamy College of Engineering, Karur, on 20th and 21st February 2026. They secured a Consolation Prize along with a cash award of ₹3,000.

The event provided them with an excellent opportunity to compete with peers from various institutions and showcase their innovative ideas.

Mohammed Sadiq, a 6th Semester Data Science student, along with his team, participated in a drawing competition at the IISc Open Day organized by the Indian Institute of Science. The team secured First Prize, winning a cash award of ₹5,000 along with gift hampers in recognition of their outstanding creativity and performance.

DEPARTMENT OF CSE(DATA SCIENCE) STUDENT ACHIVEMENTS

Students of the 6th Semester Data Science program participated in SheLeads 2.0, a National-Level Hackathon held on 5th and 6th March 2026 at Presidency University, Bengaluru, organized by the Harvest Club. Two teams represented the department in the event.

The participating students included **Indira N. S., Kommireddygari Megana, Yashaswini M. K., Bhoomika K. R., Keerthi A., Samyuktha V. Gaikwad, Deepti K. B., and Jyothsna M.**

DEPARTMENT OF CYBER SECURITY

The Department of Computer Science and Engineering (Cyber Security) celebrated Sankranti and New Year with great enthusiasm and festive spirit. The celebrations brought together students and faculty, fostering a sense of unity and cultural appreciation within the department.

The event featured traditional decorations, vibrant activities, and engaging interactions that reflected the rich cultural heritage associated with the festivals. Students actively participated in organizing and celebrating the occasion, creating a joyful and memorable experience for everyone involved.

The celebration not only marked the beginning of the New Year but also encouraged bonding, positivity, and a refreshed sense of motivation among the participants.

DEPARTMENT OF E&CE

FACULTY ACHIVEMENTS

Papers Published

- **Dr. Kumaraswamy J**, Associate Professor, Department of ECE, has published three papers titled:
 - a. "Supervised Learning Technique to Develop Predictive Regression Model and Performance Evaluation of Dual Bio-Diesel Blends"
 - b. "Optimization and CFD Analysis in Divergent Exhaust Diffuser Geometries for Maximum Coefficient of Pressure Recovery in Gas Turbine Engines"
 - c. "Supervised Learning Technique to Develop Predictive Regression Model and Performance Evaluation of Dual Bio-Diesel Blends"
- **Mrs. Shilpakala V and Dr. Madhuchandra G**, Associate Professors, Department of ECE, RLJIT, have published a paper titled:
 - a. "A Federated Learning and Multi-Agent Reinforcement Learning Framework for Sustainable and Fair Smart Parking Systems in Urban Environments"

Dr. Anil Kumar C Associate Professor and Mrs. Lavanya Vaishnavi D A Assistant Professor Department of ECE, RLJIT, attended the 2-Day Academic Leadership Program organized by BITES on 23rd and 24th January 2026 at Bosch Learning Campus.

Dr. Anil Kumar C, Mrs. Lavanya Vaishnavi D A, Mrs. Jyothi H R, Dr. Kumaraswamy J, Mrs. Shilpakala V, Dr. Madhuchandra G, Dr. Shivaprasad K M, Dr. Harish S, Mr. Vijay Kumar, and Ms. Aarthi V attended the 5-Day "Management Development Programme" organized by R L Jalappa Institute of Technology in association with MSME from 23rd to 27th March 2026 at R L Jalappa Institute of Technology.

DEPARTMENT OF E&CE PROJECT AWARDED BY KSCST

Dr. Anil Kumar C Associate Professor and Mrs. Lavanya Vaishnavi D A Assistant Professor Department of ECE, RLJIT, guided the student project titled “Distributed Rail Signalling and Traffic Control”, carried out by students K M Yadukrishnan and Nithin Kumar S. The project focuses on improving railway safety and traffic management through distributed control mechanisms, enabling efficient communication and coordination between railway stations and signalling units to reduce delays and prevent accidents. The project also received funding support from Karnataka State Council for Science and Technology (KSCST) for its innovative approach and practical significance.

Dr. Anil Kumar C Associate professor Department of ECE, RLJIT, received funding from Indian Council of Social Science Research (ICSSR) for the priority area project titled “IoT-Based Healthcare Monitoring System Towards Improving Quality of Life in Karnataka: A Case Study”. The project focuses on leveraging Internet of Things (IoT) technology to enhance healthcare monitoring and improve the quality of life of people in Karnataka through efficient and real-time health management systems.

DEPARTMENT OF MECHANICAL ENGINEERING

FACULTY ACHIVEMENTS

Dr. M. Sreenivasa Reddy, Professor in the Department of Mechanical Engineering, served as a resource person for a session on “Energy and its Future”, organized by the Department of MBA at R. L. Jalappa Institute of Technology, Doddaballapur, as part of the Technical Expert Series on 24th February 2026. He also participated in a Management Development Programme (MDP) on “Leadership Training Program”, organized by the Department of Training and Placement from 23rd to 27th March 2026 at the institution. In addition, Dr. Reddy actively took part in various programs related to health, education, and environmental awareness organized by the Lions Club of Doddaballapura at R. L. Jalappa Institutions.

FACULTY ACHIVEMENTS

Dr. Lakshminarayana T. H., Assistant Professor in the Department of Mechanical Engineering, **successfully completed his final Ph.D. Viva Voce and has been awarded a Ph.D. by Visvesvaraya Technological University, Belagavi.**

DEPARTMENT OF ALLIED SCIENCES

Induction Programme:

The second phase of the induction programme for II Semester students was conducted from 24th February to 6th March 2026. The programme aimed to familiarize students with the academic environment, departmental activities, and institutional resources.

It included interactive sessions on academic planning, time management, and professional ethics, along with workshops to enhance soft skills, teamwork, and communication abilities. Students also got an opportunity to engage with faculty members and senior students, helping them transition smoothly into their academic journey. The programme concluded successfully, leaving students motivated and well-prepared for the upcoming semester.

FACULTY ACHIEVEMENTS

Paper Publications:

Mr. Madhu N. R., Assistant Professor in the Department of Allied Sciences, has published two research papers:

1. "Exploring Rainbow Coloring and Connectivity Analysis in Hybrid Graph Structures" in Bol. Soc. Parn. Mat., 2026, Vol. 44, Issue 4, pp. 1-8 (Q3).
2. "Application of Rainbow Antimagic Coloring of Flower Snark Graphs in Cryptographic Protocol Design" in Bol. Soc. Parn. Mat., 2026, Vol. 44, Issue 4, pp. 1-10 (Q3).

These publications contribute to advanced research in graph theory and its applications in cryptography.

Mrs. Sujatha V and Mrs. Hemalatha B. R. participated in a webinar on "National Youth Day" organized by Rajashree Institute of Management and Technology, Bareilly, on 12th January 2026, conducted in virtual mode.

Mrs. Meenakshi H., Mrs. Sujatha V., Mrs. Hemalatha B. R., Mrs. Reshma S. R., Ms. Anusha K., and Mrs. Shilpa S. participated in a webinar on "National Startup Day" organized by Rajashree Institute of Management and Technology, Bareilly, on 16th January 2026, conducted in virtual mode.

Mrs. Meenakshi H. participated in a two-day Academic Leadership Program organized by BITES, Bangalore, on 23rd and 24th January 2026, held at the Bosch Learning Campus, Bengaluru.

FACULTY ACHIEVEMENTS

Mrs. Aruna R. participated in a one-day Faculty Development Programme on “Computational Approaches to Research Documentation and Data Analysis” organized by the Department of Mathematics, B. V. Raju College, Bhimavaram, on 27th January 2026, conducted in virtual mode.

Mr. Ashok A. S. and Mrs. Rekha D. N. participated in a five-day Faculty Development Programme on “Research Methodology and Advanced Materials Technology” organized by Sai Vidya Institute of Technology from 27th to 31st January 2026, conducted in virtual mode.

Mrs. Sujatha V. and Mrs. Hemalatha B. R. participated in a webinar on “AI & Innovation Sprints: Rapid Prototyping for Digital Transformation” organized by Rajashree Institute of Management and Technology, Bareilly, on 30th January 2026, conducted in virtual mode.

Mrs. Aruna R. participated in a five-day Faculty Development Programme on “Advanced Mathematical Frameworks for Nonlinear Dynamics and Geometric Analysis in the Era of Artificial Intelligence” organized by the Department of Mathematics, Dr. T. Thimmaiah Institute of Technology, KGF, from 16th to 20th February 2026, conducted in virtual mode.

FACULTY ACHIEVEMENTS

Mrs. Meenakshi H., Mr. Madhu N. R., Mrs. Reshma S. R., Ms. Anusha K., Mrs. Shilpa S., and Mr. Murali R. participated in a six-day Faculty Development Programme on “Research Methodology and Pedagogy for Academic Excellence” organized by the Department of Mathematics, Sir M. Visvesvaraya Institute of Technology, from 9th to 14th March 2026, conducted in virtual mode.

Mrs. Sujatha V. and Mrs. Kavya S. R. participated in a six-day National Faculty Development Programme on “Research Methodology for Experimental and Theoretical Sciences” organized by Sree Siddaganga College of Arts, Science, and Commerce for Women from 9th to 14th March 2026, conducted in virtual mode.

Dr. Prachalith N. C. participated in a Faculty Development Programme on “Interdisciplinary Project-Based Learning” organized by SVCE (Autonomous), Bengaluru, in association with VTU, on 23rd March 2026, held at SVCE, Bengaluru.

Dr. Prachalith N. C., Mrs. Meenakshi H., Mrs. Aruna R., Mrs. Kavya S. R., Mr. Madhu N. R., Mrs. Reshma S. R., Mr. Govindaraju, Ms. Anusha K., Mrs. Shilpa S., and Mr. Murali R. participated in a five-day Management Development Programme organized by R. L. Jalappa Institute of Technology in association with MSME from 23rd to 27th March 2026, held at R. L. Jalappa Institute of Technology.

DEPARTMENT OF MBA

The MBA Department of RLJIT organized Technical Expert Session-3 on the topic "Energy & Its Future" on 24th February 2026 at the Conference Hall, RLJIT, at 2:30 PM. The program aimed to enhance students' understanding of the evolving energy sector, focusing on sustainability, innovation, and global energy challenges, while providing an academic platform to connect theoretical knowledge with real-world energy issues and future opportunities. The session was delivered by Dr. M. Sreenivasa Reddy, Director (Quality in Academics and R&D).

VTU State Level Ball Badminton (Women) Championship 2026-27

A total of 10 teams confirmed their participation in the championship. RLJIT emerged as the proud winner of the Karnataka State Ball Badminton Tournament held on our campus. This remarkable achievement highlights the dedication, teamwork, and exceptional performance of our players. Adding to this proud moment, two of our students have been selected to represent the institution at the All India National-level Ball Badminton Championship.

It is indeed a moment of great pride and honor for RLJIT, showcasing the institution's commitment to excellence in sports alongside academics.

VTU Ball Badminton Men's Team Selection Trials

RLJIT is proud to announce that the VTU Ball Badminton Men's Team Selection Trials, held on 14-03-2026 at JSS Academy of Technical Education, Bengaluru, for the 2026-27 All India Ball Badminton Championship (National Level Selections), were successfully conducted.

In a notable achievement, students from RLJIT have been selected to represent at the national level. Bharath Kumar K A from the Department of Computer Science and Engineering (CSE) and N. Chakradhar Chowdary from the Department of Artificial Intelligence and Machine Learning (AIML) secured their positions through commendable performance during the trials.

Their selection reflects the institution's strong emphasis on sports excellence alongside academic growth, marking a proud milestone for RLJIT.

DEPARTMENT OF PHYSICAL EDUCATION

The students of RLJIT proudly participated in the MERA YUVA BHARATH District Level Sports Meet held on 24.03.2026 at Sri Devaraj Urs Institute of Management (SDUIM). Our college teams competed in Volleyball (Men) and Throw Ball (Women), delivering outstanding performances against teams from across the district. RLJIT secured first place in both events, showcasing exceptional teamwork, strong defense, and skillful play. Adding to the glory, Spandana secured 1st place in Javelin Throw and 3rd place in the 100 meters, while Keerthana achieved 3rd place in Javelin Throw. Their achievements brought pride to the institution and were highly appreciated by the college management, Principal, and the Department of Sports.

DEPARTMENT OF PHYSICAL EDUCATION

With reference to the cited subject, the VTU 27th State-Level Intercollegiate Athletic Meet was held from 26th to 29th March 2026 at KIT, Tiptur. Students from our college, including Spandana (USN: 1RL25CD001), Keerthana (USN: 1RL23CS057), Pooja S (USN: 1RL23CS255), Bhavana H.S (USN: 1RL23CS157), Dande Phaneendra Kumar (USN: 1RL24C1007), Pulakunta Harsha Vardhan Reddy (USN: 1RL24CY025), and Yathiraj A (USN: 1RL25CS180), actively participated in various track and field events, representing the college with dedication and sportsmanship. Although no placements were secured, their participation reflected commitment, enthusiasm, and a strong competitive spirit.
