Respected Sir,

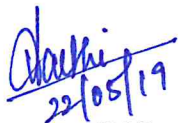

Sub:- Regarding explanation for less than 70% feedback

With respect to the above subject, myself prof. Aarthi V, Assistant professor, ECE department, RLJIT want to bring to your notice that student's IQ level of understanding the concepts is very poor and assignment problems given after each class will be not solved while coming to next Electrical class and very irregular to classes. So I have taken measures to take special classes on Saturday afternoon and those who are irregular to classes are informed to their parents by phone immediately after the class is over. Further same will be brought to the notice of the HoD too.

If any further steps to be taken for this issue, please kindly give me suggestions.

Thanking you

Yours sincerely

Respected Sir,

Sub: Explanation for poor feedback from Students, Reg.

Since it was new syllabus and because of lack of proper material I couldn't able to communicate with students effectively. I try to improve my knowledge by referring some more books and improve my knowledge so it won't repeat in future.

Thanking you
