

4.2.1 Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

Response:

The Library and Information Centre is the heart of our Institution. The library has a comprehensive collection of 25000 volumes and 3200 titles in various disciplines. RLJIT is a member of the VTU Consortium for the subscription of online electronic resources and provides access to more than 7794 e-journals and 18591 e-books. The library has a subscription to numerous general, technical magazines and newspapers and the total area of library is 1080 Sq.Mtrs.

The library is fully automated with LIBSOFT 12.00 web version software with Integrated Library Management System (ILMS). The learning resources used by the students and the learning resources assimilate knowledge to accomplish academic excellence.

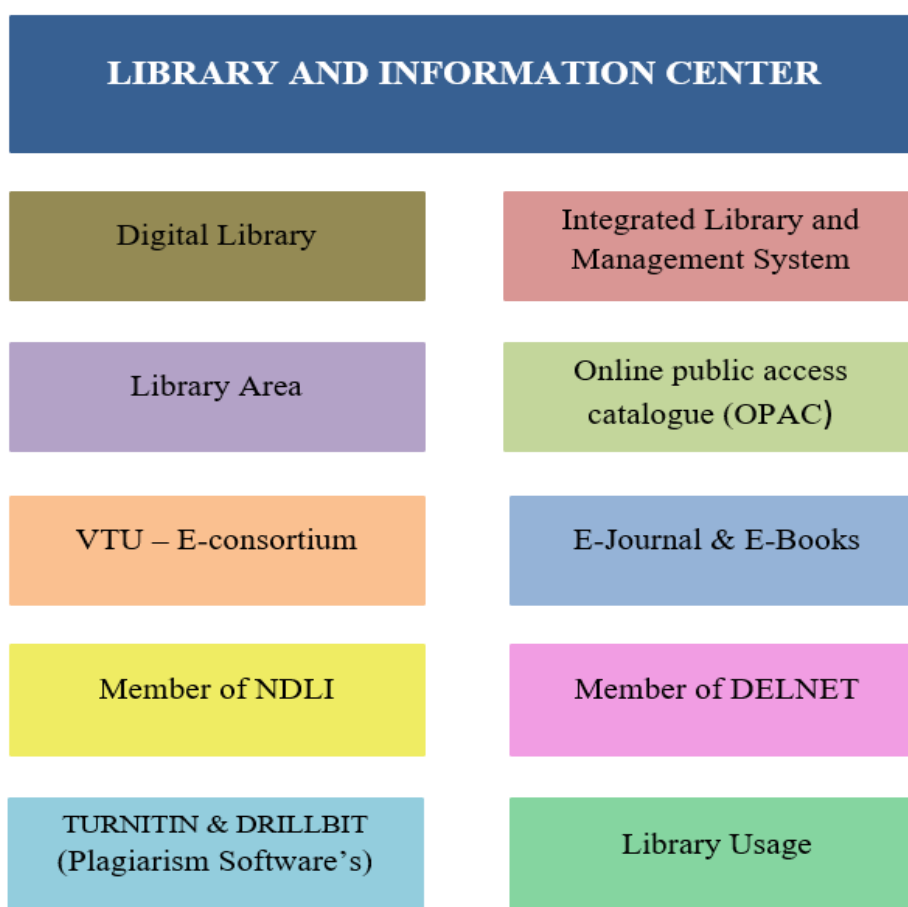

Fig.1: Resources and Activities of Library

Integrated Library Management System (ILMS)
